- The University Title IX Coordinator or designee serves as liaison throughout this process and provides updates to both parties.
- Both the complainant and the respondent are offered supportive measures by the Title IX Coordinator or designee throughout the process.
- At any point prior to the hearing decision maker(s) issuing a decision, the parties may request to move to the informal resolution process to attempt to come to an agreement. Both parties must agree to pursue the informal resolution process to move forward with that option. Either party may contact the Title IX Coordinator to make this request.
